

SPECIAL TERM OF COURT TO BE HELD

Governor Glenn Has Issued Order
Convening the Haywood
County Tribunal.

POSTAL DEPOSITS AT RALEIGH

Beginning With July, No Fourth-
Class Offices in Carolina Will
Deposit in Richmond.

[Special to The Times-Dispatch.]
RALEIGH, N. C., June 11.—Governor Glenn issued orders to-day for a special term of court in Haywood county for civil and criminal cases, beginning July 8th, Judge Fred Moore presiding.
A reward of \$100 is offered by Governor Glenn for the arrest of Coleman Brown, wanted in Jackson county for killing Elias Owen a few days ago.
Adjutant-General T. T. Robertson, of the North Carolina National Guard, issued an order to-day accepting the resignation of A. A. Keefe as lieutenant, junior grade, Newbern Division, Naval Reserves. He also directs the holding of an election for his successor on some date to be agreed on by the division.

Beginning July 1st, the opening of the government fiscal year, all the fourth-class post-offices of North Carolina will make their postal fund deposits with the Raleigh office, Willis G. Briggs, postmaster. This abolishes North Carolina depositories, with the offices at Asheville, Winston-Salem and Richmond, Va. There are now offices in forty-three counties out of the ninety-seven that will deposit with the Raleigh office, instead of at the other points named. Altogether, there are 212 fourth-class post-offices in the State, the only States having a larger number than North Carolina being Kentucky, Missouri, New York, Pennsylvania, Texas and Virginia.

Martin Shepherd, a white man, has been brought here from Scotland county by Sheriff W. D. McLaurin, to serve three years in the penitentiary for shooting an old negro man in the face with a shotgun. The crime was committed three years ago, Shepherd having skipped out and evaded arrest until recently.

William G. Hill Lodge of Masons has elected John G. Allen worshipful master; Charles F. Lumsden, senior warden; William P. Little, junior warden.

BLOW OPEN SAFE DURING STORM

Yeggmen Use Dynamite in Midst
of Thunder Puffs and Carry
Off Cash.

[Special to The Times-Dispatch.]
SPENCER, N. C., June 11.—The large safe of the St. C. Mercantile Company at Norwood, Stanley county, was blown open and robbed by yeggmen about 12:30 this morning, during a terrific thunder-storm.
The crackmen took advantage of the storm and broke the front door of the store open with a crowbar, after which they blew the safe open by dynamite and nitro-glycerine. An unknown quantity of cash, together with a number of checks, were taken. A number of tools belonging to the robbers were found in the building this morning, when the robbery was discovered by the members of the firm. The work of the crackmen bore marks of experts, though there is no clue to the guilty persons. Officers are making a desperate effort to locate the robbers, who escaped from the town without being seen.

The noise of the heavy thunder was taken advantage of at the midnight hour, and reports of the explosion used on the safe were not noticed by persons sleeping near the store, who, thinking it was thunder, allowed the robbers to do their work.

CITIZENS ARE FLEEDED.

Farmers Pay \$500 for Worthless Rights
to Sell Washing Machines.

[Special to The Times-Dispatch.]
SALISBURY, N. C., June 11.—Several Rowan county citizens have been badly fleeced lately by washing machine agents, who have been operating in this section for some weeks. A county right was sold to two citizens for \$500, who soon afterwards learned that the supposed right was worthless. The agents represented that any additional sales would be paid for at \$250 each, but this also proved to be a fake. The same agents fleeced a number of citizens of Montgomery county in the same manner.

ABLE TO PAY THE BILLS.

Durham Light and Power Company Now
in a Position to Pay.

[Special to The Times-Dispatch.]
DURHAM, N. C., June 11.—The Durham Light and Power Company, who furnish gas for Durham, have been having considerable trouble for several months over numerous accounts that were presented and not paid, until it resulted in the closing up of the concern by the sheriff of the county. The plant was closed three successive times, and it looked as if the tangled affairs would result in a sale of the entire business at one time.

Sometime previous it was announced that the Durham concern was sold to a New York plant, but this rumor looked as if it were a mistake, until yesterday, when Mr. J. H. Martin, president of the company, came to Durham.

The sale has been confirmed, and this will relieve the company of the tangled condition.

NOT EXEMPT N. & W.

Carolina Corporation Commission Will
Apply New Rate Law to Va. Road.

[Special to The Times-Dispatch.]
RALEIGH, N. C., June 11.—To-day the Corporation Commission heard argument and received petitions from counsel for the Norfolk and Western Railroad Company that the 2-4 cent passenger rate and reduced freight rate acts of the last Legislature do not apply to the Norfolk and Western, for the reason that the company does not operate a continuous track of sixty miles in North Carolina.
The showing was that the company has two lines of North Carolina track, one of about forty miles each, between Roanoke, Va., and Winston-Salem, and between Lynchburg and Durham.
The commission refused to grant the petition, holding that the reduced rates must apply to these lines. Counsel who appeared for the Norfolk and Western were T. W. Watson, of Winston-Salem, and W. A. Guthrie, of Durham.

SEVERE STORM DAMAGE.

Barns Blown Down and Much Damage
Wrought.

SPENCER, N. C., June 11.—A terrific wind and thunder-storm played havoc near New London, Stanley county, late last night, doing much damage to buildings and growing crops, the latter being practically ruined by heavy hail. A barn belonging to Robert Austin, a well-known farmer, was blown down and three cows, five hogs and a horse killed. Another barn on the farm of Harris Cogswell was crashed to the ground and a mule killed. A large number of other buildings in the path of the storm were badly damaged. The loss to crops is incalculable.

THURMAN GUILTY OF MURDER OF DOLSEN

Jury, After Being Out Two Hours,
Returns Verdict of Murder in
First Degree.

PLEA OF INSANITY ENTERED

Alienists Testify That Blow on
Head Had Affected Man's
Mind.

[Special to The Times-Dispatch.]
NOFOLK, VA., June 11.—Leo C. Thurman, who was placed on trial in the Corporation Court to-day, charged with the murder of W. P. Dolson, a marine in the United States Navy, was found guilty of murder in the first degree to-night at 10:45 o'clock. The jury had the case for two hours.

Thurman on February last killed Dolson as he lay asleep in an East Main Street boarding-house, afterwards rifling his pockets of his gold watch and several hundred dollars. Thurman then placed the mangled body in a trunk and marked it for shipment to Edenton, N. C. Attorney James, of Kentucky, employed by Thurman's family, and Martin, appointed by the court, defended Thurman, and entered the plea of insanity for the prisoner.

Dr. D. S. Roberts, of Kentucky, and another alienist testified as to Thurman's alleged insanity, which they said was caused by a blow on his head inflicted several years ago. Attorney Martin made a motion for a new trial. This will be argued Saturday.

Thurman's brother, Charles R. Thurman, of Paducah, Ky., attended the trial and gave the prisoner a hearty and cordial handshake when he entered the court-room this morning.

and Has No Fears.

[Special to The Times-Dispatch.]
NOFOLK, VA., June 11.—Colonel Howze, commander of the West Point Military Academy, who was at the exposition and embarked aboard the United States transport Summer this afternoon, lying in Hampton Roads, said to-day before leaving, in reply to a question about the suit of \$100,000 alleged to have been filed in the Civil Court of New York City by Mrs. Elizabeth Ayres against certain military officers of the West Point Academy, that the whole matter amuses him, and that he had not given it a moment's serious consideration. Colonel Howze, continuing, said:

"So far as I am personally concerned, I took such official action as I deemed necessary to terminate what I considered an improper and perhaps intolerable situation.

"I did my duty as I saw it and I shall continue to do this, no matter who may be affected. There has been nothing personal in the controversy. Everything done has been official."

The crime was alleged to have been committed on the night of June 6th, while the parents of the child were attending a meeting of the Salvation Army. A few days ago Officer L. H. CALLS HIS CURE A PERFECT MIRACLE

Suffered Tortures With Terrible,
Dry Eruptions Since Reaching
Manhood—Doctors All Failed—
Became too Disfigured to Leave
House—Now Well and Says:

CUTICURA REMEDIES WORTH WEIGHT IN GOLD

"I cannot help expressing to you my most sincere thanks for the benefit which I have derived from the use of Cuticura Remedies. They represent a perfect cure for the terrible skin disease which I suffered from since reaching manhood. I have been suffering from a dry eruption which at times appeared very extensively, and at other times, but to a limited degree, on my body. I consulted a number of medical men without result, and last January I was affected with a terrible skin disease on my hands, face, and neck, which was so bad that I could not even leave the house, so I finally resorted to Cuticura.

"In the morning after breakfast I took a tablespoonful of Cuticura Remedy, the same after dinner and supper. Three times a day I washed myself with Cuticura Soap, and three times a week I took a hot bath with Cuticura Soap, and applied Cuticura Ointment to the parts that were painful. So far my Cuticura Remedies represent an outlay of only a few dollars and I am completely restored to health. While formerly I had spent dollars upon dollars on doctors, remedies, and ointments without getting cured. Needless to say, I am quite ready to spend my last cent for Cuticura Remedies. Henry E. Kamping, 633 Eagle Ave., New York, N. Y., Feb. 10 and Mar. 15, 1906."

MANY RICHMONDERS IN TRAIN WRECK

Five Passenger Coaches of C. &
O. Flyer Leave Track at
Lee Hall.

NOT A BRUISE RECEIVED

Doctors and Special Wrecking
Trains Are Rushed to
Scene.

[Special to The Times-Dispatch.]

NEWPORT NEWS, June 11.—Running at sixty miles an hour, the first section of the Chesapeake and Ohio Cincinnati express, due here from Richmond at 5:30 o'clock, was wrecked at Lee Hall this afternoon about 6 o'clock. Six coaches were filled with more than three hundred people, including Thomas Nelson Page and the members of the Virginia Commission to the Jamestown Exposition, and Dr. James J. Smith, but not a person aboard the train received a bruise. Workmen had been repairing a switch from the main line at Lee Hall, and the bolts holding the rails had been weakened. The engine, tender and first trucks of the mail and baggage car passed over the switch safely, then something happened. The rear trucks of the combination car and the five passenger coaches following went on the side track; a terrible jerk was felt and many passengers were thrown from their seats. Conductor Cason grasped the emergency cord and the train came to a standstill within two hundred yards with part of the combination car resting on the main line with the engine, the other end of the car on the side track, and the rest of the coaches derailed, trucks of the coaches were smashed considerably. The tracks were torn from the ground for some distance.

When the accident occurred the operator at Lee Hall at once telegraphed Newport News and Richmond, thinking that many people had been killed or injured. Special trains were run from Richmond and this city. Train Master Ford and Directors S. W. Hobson and J. Kennedy Cross going from here, and Dr. Brock and a party coming from Richmond. The surgeons found nothing for them to do, by what Mr. Ford calls "Chesapeake and Ohio luck." The passengers were brought here to-night about 10 o'clock on a special train. The line had been blocked for nearly five hours. Two wrecking cranes are still at work on the cars, which have been moved out of the way. Two steamers waited here for the passengers for Norfolk and the exposition. Dr. Page and the Virginia commissioners went on to Norfolk.

Much anxiety was felt here by those who had friends on the train until it was learned that no one was even slightly hurt. Many telegrams were received here last night from passengers who were afraid relatives would be alarmed. All incoming trains were, of course, somewhat delayed.

BURKS IS ACQUITTED.

Charge of Falsely Swearing to Age of
Girl Not Sustained.

[Special to The Times-Dispatch.]
DANVILLE, VA., June 11.—John Burks, a young white man, charged with swearing falsely to the age of his wife, Mrs. Maggie Perkins Burks, when he secured the marriage license several months ago, was acquitted at a hearing in the Mayor's court to-day of the charge of perjury, for which offense he was indicted by the grand jury.

The indictment of Burks seems to have been the result of spite work by the mother of the girl, who did not institute proceedings until after they had been married several months. As Burks left his wife, she then had him arrested. In court to-day Mrs. Perkins testified that her husband was only eighteen years of age, but could not give the year in which she was born.

Want to Increase Tax.

[Special to The Times-Dispatch.]

BOYDTON, VA., June 11.—The Board of Supervisors of Mecklenburg met here yesterday and transacted routine business. They adjourned to meet here next Saturday, when the time for the county school board meets to act upon an application from the school trustees of Chase City District to allow them to increase the school tax. But the regular levy having been made in the spring, the question has arisen whether or not the supervisors have the right to levy an additional tax. The supervisors wished to hear the Commonwealth's attorney's opinion before acting, and consequently adjourned to Saturday, but the whole matter will be disposed of.
